YOUR BRAND ON OUR APPS!

YOUR AGENCY BRAND-OUR APPLICATIONS!

Branding promotes recognition, which will help insureds feel more at ease about purchasing your services! With this in mind, we've developed a new application packet that allows custom branding of your agency while selling our products. Your agency's logo and icon will be displayed on each page of the application along with a color scheme to match! Simply email your logos and we'll do the rest!

Agency Logo Sizes

- Horizontal Logo (required): 500px x 150px
- Icon Logo (optional): 400px x 400px
- Logos can be emailed to: marketing@sisinsure.com

Design Recommendations

- Provide graphics with transparent backgrounds (we can help).
- Provide branding that is identical to or consistent with your website, social media, etc.
- Icon lettering should be omitted or kept to a minimum.
